Let Us Entertain You

- 2-way, in-ceiling speaker
- Moisture-resistant tweeter, woofer
- · Paintable grille, frame

6.5CS

The Jamo 6.5CS is a 2-way in-ceiling speaker, part of our popular Contractor Series, which consists of versatile, quality speakers at highly competitive prices.

The 6.5CS offers great all-round qualities, and is the ideal choice wherever background music

is desired. A Polypropylene woofer and Mylar tweeter make this speaker applicable for occasionally damp areas, such as garages.
